SHASTRI CIRCLE, SHASTRI NAGAR, JODHPUR

SCHOOL RE-OPENING

Dear Parents and students,

Welcome back. Hope, all of you are keeping good health and are safe from the deadly corona virus. As the Summer Vacation has come to an end by 30th June 2021, we will be starting our school activities once again from Thursday, 1st July 2021. Since schools are still not permitted to open offline, we shall continue to have our online classes as before. As far as possible it is compulsory to attend the online classes. Daily attendance of the online classes will be taken by the teachers. However, if anyone is unable to attend the online class on any particular day due to any reason, parents or students can visit our school website for the recordings of the lessons taken in the online class or the pre-recorded videos on the lesson of that day. At times, there may be some problems or interruptions due to network problems. You are requested to bear with us.

Please protect yourself always from the spread of the deadly Corona virus. I constantly pray for all of you that the Good Lord may keep you all safe and sound always.

Stay safe and stay healthy,

Principal
