

eRaksha Competition 2023

Dear Principal

The National Education Policy (NEP) 2020 emphasizes on safety and rights of children and adolescents enrolled in schools. Safety includes cyber safety in school for teachers and students as the classroom boundaries have extended to online digital learning.

Central Institute of Educational Technology (CIET) and National Council of Educational Research and Training (NCERT) in collaboration with Cyber Peace Foundation has launched the 5th edition of eRaksha Competition 2023. The Competition provides opportunity for hands on and immersive experience of cyber security concepts to the young learners, educators, school authorities and parents, to understand and imbibe cyber security terminologies, threats, challenges, and safety techniques while designing their own submissions.

Detailed information about the competition can be accessed through the official website using the link www.eraksha.net and <https://www.youtube.com/live/IASvNRilOAY?feature=share>

You are requested to disseminate the above information among students of your school and encourage them to participate in eRaksha Competition 2023. For further queries, the schools may contact at eraksha@cyberpeace.net

With Best Wishes
Team CBSE
